REGIONAL EQUITY SCENARIO

PROJECT LIST

PROJECT ID	PROJECT NAME	PROJECT DESCRIPTION
3	Kiwanis Park Trail Widening	Extend and widen multi-use trail
4	Levasseur St Complete Street	Install pedestrian and streetscape improvements and extend trail
7	Howard Raser Ave Complete Steet	Create complete street with pedestrian and streets- cape improvements
11	Mullan Rd - Frenchtown Trail	Construct shared-use path
12	North Ave Bike Lanes	Install on-street bicycle facilities
13	3rd St Bike Lane Extension	Install on-street bicycle facilities
19	1st St Shared-Use Path	Construct shared-use path
27	North Ave Shoulderway Improvements	Install roadway improvements to create a shoulder pathway
29	Mount Ave Trail Connection	Extend multi-use trail
31	Mullan Rd Shared-Use Path	Construct shared-use path
32	Lewis & Clark Dr Shared-Use Path	Construct shared-use path
33	Scott St Complete Street	Create complete street with traffic calming, bicycle, pedestrian, and streetscape improvements
36	Grant St Neighborhood Greenway	Install neighborhood greenway
37	Sherwood Neighborhood Greenway	Install neighborhood greenway
39	Gerald Neighborhood Greenway	Install neighborhood greenway
40	Schilling Neighborhood Greenway	Install neighborhood greenway
41	lvy/Franklin/Park Neighborhood Greenway	Install neighborhood greenway
42	4th St Neighborhood Greenway	Install neighborhood greenway
43	Pattee Creek Neighborhood Greenway	Install neighborhood greenway
44	Burton Neighborhood Greenway	Install neighborhood greenway
45	Kent/Central Neighborhood Greenway	Install neighborhood greenway
46	Milwaukee Trail Extension	Extend multi-use trail
49	Reserve St Protected Bike Lanes	Install on-street bicycle facilities
52	N 2nd St Complete Street	Create complete street with bicycle, pedestrian, and streetscape improvements
53	Northbank Riverfront Trail	Extend multi-use trail
54	Northside Greenway Connector	Construct multi-use trail
55	Westside Area Mobility Enhancements	Install greenway, bicycle, pedestrian, and streetscape improvements
60	Ron's River Trail Extension	Extend multi-use trail

PROJECT ID	PROJECT NAME	PROJECT DESCRIPTION
118	Curtis St Complete Street	Create complete street with bicycle, pedestrian, and streetscape improvements
119	River Rd Complete Street	Create complete street with bicycle, pedestrian, and streetscape improvements
122	Broadway Complete Street	Create complete street with bicycle, pedestrian, and streetscape improvements
123	Mullan Rd Multimodal Improvements	Construct shared-use path and crossings
124	Brooks St Complete Street and Transit Improvements	Create complete street with bus rapid transit, bicycle, pedestrian, and streetscape improvements
125	Brooks St Complete Street and Transit Improvements	Create complete street with bus rapid transit, bicycle, pedestrian, and streetscape improvements
127	Russell Street Reconstruction	Reconfigure roadway and install bicycle and pedestrian facilities
128	Bitteroot River Crossing (South Ave Bridge - MacClay Bridge)	Construct bridge
129	US 93: North of Desmet Interchange	Widen and improve roadway
130	BUILD Grant Roads - Wye/Mullan Plan Collector Routes	Extend roadways and install trail connections
137	Stephens Bike Lane Intersection Improvements	Address bicycle facility gaps through intersection
141	Catlin St and 3rd St Intersection Improvements	Install pedestrian/bicycle crossing to connect to trail
145	E Broadway St and N Van Buren St Intersection Improvements	Install crossing safety countermeasures
146	Owen St and Broadway St Enhanced Crossing	Install crossing safety countermeasures
149	3rd St and Schilling St Intersection Improvements	Install crossing safety countermeasures
152	Russell St and Fairview Ave Crossing Improvements	Install crossing safety countermeasures
157	California St/Toole Ave/Broadway St Intersection Improvements	Reconfigure roadway and install roundabout
159	Philips St and Scott St Intersection Improvements	Install traffic safety countermeasures
162	McDonald Ave and Clark St Enhanced Trail Crossing	Install pedestrian/bicycle crossing to connect to trail
164	Shakespeare St and Otis St Intersection Improvements	Install traffic safety countermeasures
168	South Ave and Reserve St Intersection Improvements	Address bicycle facility gaps through intersection
169	Reserve St Intersection Improvements	Install crossing safety countermeasures
170	Clements Rd Intersection Improvements	Install crossing safety countermeasures
