CORRIDOR PROJECT LIST

| PROJECT ID | PROJECT NAME | PROJECT DESCRIPTION |
|------------|--|--|
| 1 | Deer Creek Rd/Speedway Ave Trail | Construct multi-use trail |
| 2 | Northside Riverfront Trail Extension | Extend multi-use trail and construct footbridge over Rattlesnake Creek |
| 5 | Burlington Ave Complete Street | Create complete street with pedestrian and streetscape improvements |
| 9 | Brooks St and Regent St Enhanced Crossing | Install pedestrian crossing |
| 10 | Brooks St and Holburn St Enhanced Crossing | Install pedestrian crossing |
| 12 | North Ave Bike Lanes | Install on-street bicycle facilities |
| 14 | Mullan Rd Connection Trail | Extend multi-use trail |
| 15 | I-90 Trail (Alternative 2) | Construct multi-use trail |
| 16 | Deschamps Ln Shared-Use Path | Construct shared-use path |
| 17 | Butler Creek Rd Trail | Extend multi-use trail |
| 18 | Great American Trail | Construct multi-use trail |
| 20 | West Riverside Trail | Construct multi-use trail |
| 21 | Cowboy Trail Rd Shared-Use Path | Construct shared-use path |
| 23 | Blue Mountain Rd Trail | Construct multi-use trail |
| 24 | Miller Creek Shared-Use Path (Lower Miller Creek Connection) | Construct shared-use path |
| 26 | 7th St Shoulder Improvements | Install roadway improvements to create a shoulder pathway |
| 27 | North Ave Shoulderway Improvements | Install roadway improvements to create a shoulder pathway |
| 28 | North Ave Trail Connection | Extend multi-use trail |
| 29 | Mount Ave Trail Connection | Extend multi-use trail |
| 30 | Spurgin Rd Trail Connection | Extend multi-use trail |
| 32 | Lewis & Clark Dr Shared-Use Path | Construct shared-use path |
| 34 | Deschamps Ln Re-Surfacing | Improve pavement condition |
| 35 | Higgins Pedestrian Bridge | Construct pedestrian bridge |
| 45 | Kent/Central Neighborhood Greenway | Install neighborhood greenway |
| 46 | Milwaukee Trail Extension | Extend multi-use trail |
| 47 | Fort Missoula to McClay Shared-Use Path and Bridge | Construct shared-use path and pedestrian/bicycle bridge |

PROJECT TYPE

● Safety
 ● Active Transportation
 ● Complete Streets and Roadway
 ● Bridge

| PROJECT ID | PROJECT NAME | PROJECT DESCRIPTION |
|------------|---|---|
| 48 | Whitaker Dr Complete Street | Create complete street with bicycle, pedestrian, and streetscape improvements |
| 50 | Rattlesnake Dr Shared-Use Path | Construct shared-use path |
| 51 | Duncan Dr Shared-Use Path | Construct shared-use path |
| 54 | Northside Greenway Connector | Construct multi-use trail |
| 56 | Spurgin Rd Shared-Use Path | Construct shared-use path |
| 57 | Mullan Rd Bicycle and Pedestrian Bridge | Construct bicycle/pedestrian bridge |
| 58 | Lincoln Hills Dr Bicycle and Pedestrian Improvements | Install bicycle and pedestrian improvements |
| 59 | Lincoln Hills Dr Bicycle and Pedestrian Improvements | Install bicycle and pedestrian improvements |
| 61 | Northside 1st St Shared-Use Path | Construct shared-use path |
| 62 | Strand Ave to Burlington Ave Shared-Use Path | Construct shared-use path |
| 63 | Madison St Underbridge to Arthur Street Shared-Use Path | Construct shared-use path |
| 64 | Inverness Place Shared-Use Path | Extend shared-use path |
| 65 | Johnson St Shared-Use Path Connection | Construct shared-use path |
| 66 | Northside Shared-Use Path Connection | Construct shared-use path |
| 67 | Rattlesnake Dr Bicycle and Pedestrian Facilities | Install bicycle and pedestrian improvements |
| 68 | Tamarack St Bicycle and Pedestrian Improvements | Install bicycle and pedestrian improvements |
| 70 | River Rd Complete Street | Create complete street with bicycle, pedestrian, and streetscape improvements |
| 71 | Pedestrian Undercrossing Connecting Downtown to Northside | Install pedestrian improvements |
| 73 | Northside Bikeway | Install on-street bicycle facilities |
| 74 | Northbank Riverfront Trail | Construct multi-use trail |
| 75 | Southbank Riverfront Trail Extension | Extend multi-use trail |
| 76 | Westside Greenway Trail | Construct multi-use trail |
| 77 | Lincoln Hills Shared-Use Path | Construct shared-use path |
| 78 | Hiberta St Bike Lanes | Install on-street bicycle facilities |
| 85 | Kim Williams Trail Extension and Bridge | Extend multi-use trail and construct bicycle/pedestrian bridge |
| 88 | Riverfront Triangle Non-Motorized Bridge | Construct bicycle/pedestrian bridge |
| 89 | Missoula College Non-Motorized Bridge | Construct bicycle/pedestrian bridge |

PROJECT TYPE

- Safety
- Active Transportation
- Complete Streets and Roadway
- Bridge

| PROJECT ID | PROJECT NAME | PROJECT DESCRIPTION |
|------------|--|---|
| 90 | Kim Williams Trail Connector | Extend multi-use trail |
| 92 | Grant Creek Trail Phase II | Construct multi-use trail |
| 93 | Miller Creek to Lolo Trail Connection | Construct shared-use path |
| 94 | Blue Mountain Rd Shared-Use Path | Construct shared-use path |
| 96 | Post Siding Road Shared-Use Path | Construct shared-use path |
| 97 | People's Way Trail Phase 1 | Construct multi-use trail |
| 99 | Duncan Dr/Greenough Dr Complete Street | Create complete street with bicycle, pedestrian, and streetscape improvements |
| 100 | Mullan Rd Widening | Widen roadway |
| 105 | Old Grant Creek/Cemetery Rd/Rodgers St Multimodal Improvements | Create complete street with bicycle, pedestrian, and streetscape improvements |
| 108 | Johnson St Extension and Complete Street | New complete street with bicycle, pedestrian, and streetscape improvements |
| 109 | Carousel Dr Reconfiguration | Reconfigure roadway and install open space |
| 110 | Railyard St Grid Construction | Construct new streets |
| 111 | Clay St Streetscaping and Intersection Control | Install streetscape and traffic safety countermeasures |
| 113 | Grant Creek Rd Complete Street | Reconfigure roadway and install traffic safety countermeasures |
| 115 | Russell St Extension | Extend roadway and construct bridge |
| 117 | South Ave Complete Street | Create complete street with bicycle, pedestrian, and streetscape improvements |
| 135 | England Blvd Extension | Extend roadway and construct bridge |
| 181 | Coal Mine Road/I-90 Interchange | Construct new I-90 interchange |
| 185 | Christian Dr Extension | Extend roadway |
| 186 | Wyoming Connector | Construct connector street |

PROJECT TYPE

- Safety
- Active Transportation
- Complete Streets and Roadway
- Bridge

INTERSECTION PROJECT LIST

| PROJECT ID | PROJECT NAME | PROJECT DESCRIPTION |
|------------|--|--|
| 138 | Russell St and 4th St Intersection Improvements | Install crossing safety countermeasures |
| 139 | Russell St and 7th St Intersection Improvements | Install crossing safety countermeasures |
| 140 | 14th St and Eaton St Intersection Improvements | Install roundabout |
| 142 | Russell St and 6th St Intersection Improvements | Install pedestrian/bicycle crossing to connect to trail |
| 143 | Madison St and Front St Intersection Improvements | Reconfigure roadway and install roundabout |
| 144 | Park St and Mount Ave Intersection Improvements | Install crossing safety countermeasures |
| 147 | Clark Fork Ln and Mullan Rd Intersection Improvements | Improve turning movements |
| 148 | California St and River St Intersection Improvements | Install traffic circle |
| 150 | Russell St and Ernest Ave Enhanced Crossing | Install crossing safety countermeasures |
| 153 | George Elmer Dr and Mullan Rd Intersection Improvements | Install traffic signal |
| 154 | Brooks St and Stephens Ave Intersection Improvements | Install crossing safety countermeasures |
| 155 | Greenough Dr and Vine St Intersection Improvements | Install crossing safety countermeasures |
| 156 | Great Northern Ave and Palmer St Intersection Improvements | Install roundabout |
| 158 | McDonald Ave and Russell St Intersection Improvements | Install roundabout |
| 160 | Reserve St and 7th St Enhanced Bicycle Crossing | Install signalized bicycle crossing |
| 161 | Beckwith Ave and Higgins Ave Intersection Improvements | Install traffic safety countermeasures |
| 163 | Ryman St and Front St Intersection Improvements | Install traffic safety countermeasures |
| 165 | 6th St and Ronan St Enhanced Trail Crossing | Install pedestrian/bicycle crossing to connect to trail |
| 166 | 14th St and Mount Ave Intersection Improvements | Reconfigure roadway and install traffic safety countermeasures |
| 167 | 4th and Orange Enhanced Crossing | Install crossing safety countermeasures |
